

The violence the National Inquiry heard amounts to a race-based genocide of Indigenous Peoples, including First Nations, Inuit and Métis, which especially targets women, girls, and 2SLGBTQQIA people. This genocide has been empowered by colonial structures evidenced notably by the Indian Act, the Sixties Scoop, residential schools and breaches of human and Indigenous rights, leading directly to the current increased rates of violence, death, and suicide in Indigenous populations."

- Introduction, *The National Inquiry into Missing and Murdered Indigenous Women and Girls' Final Report*
